Tax Disclosures

The Foundation is a 501(c)(3) organization and your contribution may be claimed as a charitable deduction for tax purposes, under both federal and state law. Please consult your tax consultant to determine the appropriate amount to deduct.

Purpose

Since 1985, the NRECA International Foundation has been bringing electricity and its benefits to millions of people in remote areas of the developing world. The Foundation is a wholly owned subsidiary of the National Rural Electric Cooperative Association (NRECA).

Our goal is to raise funds that will enable us to continue bringing electricity and hope to rural residents in Haiti, the Philippines, Sudan, and other developing countries. Your gift will help the Foundation continue transforming the lives of individuals as well as entire communities through the use of electricity.
